2018-2019 School Year

Dear Parents at Park Street Academy,

Welcome. We are Simply Gourmet, a catering company that specializes in lunch services to children. Our meals are nutritionally balanced, delicious and kid friendly. Nothing is fried and our products are free of nut ingredients. Meals are individually packed in recyclable cardboard lunch boxes for each student.

We proudly offer an entire line of “wholesome” meal options which have no GMO’s, no artificial ingredients, no growth hormones and no Trans fats; only fresh super foods that promote a healthy diet for children! All products that we use are nut free.

Our lunch service will resume in September and will be available Monday, Tuesday, Thursday and Friday. The meal includes an entrée, a side, a fruit or vegetable selection, and drink. We expect that the September menus will be available around August 20th to place your September order.

How it works: A variety of selections are offered daily. Each component of the meal may be customized as there are several alternate options offered, including gluten free, vegetarian, & organic choices. (Click on the “edit this day button” to view your options.) New orders, and/or changes to existing orders, must be placed at least three days in advance of the day you would like to receive service. This is referred to as our “72 hour lock out period”. Please keep this in mind when you are placing your orders.

Order processing is automated by visiting our website:

www.SimplyGourmetLunches.com

Simply log in and create an account to place orders for your child. There is a \$1 handling fee per financial transaction. Note: The \$1 handling fee is charged per order, not per child. Our web site offers information on nutritional values, allergy listings, catering services and general updates. If you have any trouble navigating through our website, feel free to contact us and we can “walk” you through the process. You will receive email reminders once you are registered in our system. We look forward to serving your children!
